## Summary

As a Python GUI intern, I am a dedicated and driven developer with a passion for creating intuitive graphical user interfaces. I have hands-on experience in designing and implementing applications, including a To-Do List, Calculator, and Rock-Paper-Scissors Game. These projects showcase my ability to craft user-friendly and functional software.

My journey extends beyond GUI development as I am also pursuing a path into full-stack web development. I am eager to expand my skill set and bring my problem-solving abilities to the world of web development. I am committed to learning and growing in this dynamic field, with a goal to contribute to the development of engaging and responsive web applications.

## Education

**BTECH, EXPECTED-2025, RAJKIYA ENGINEERING COLLEGE, MAINPURI**

- Computer Science And Engineering

## Experience

**INTERN | CODSOFT | 20 AUG – 20 SEP**

- I successfully completed an internship at CodSoft, where I gained practical experience in Python GUI development. During my internship, I accomplished three key tasks: creating a To-Do List application, designing a Calculator, and developing a Rock-Paper-Scissors game. These projects allowed me to hone my skills and apply my knowledge in a real-world context, furthering my proficiency in Python GUI development.

## Hobby

I have two great passions in life: coding and playing badminton. Coding is my creative outlet, where I bring ideas to life through programming. It's a world of endless possibilities and problem-solving that I find truly captivating.

- On the other hand, playing badminton is my way of staying active and enjoying some friendly competition. The rush of the game, the precision required, and the camaraderie with fellow players make it a fantastic hobby.
- 
- In these two seemingly different interests, I find balance and fulfillment, each complementing the other in my life.
